As regards proposal (i) it is submitted that Mr. Jambunathaiah is at present drawing a pay of Rs. ~~175~~ 200 p.m. plus a Consolidated Allce of Rs. 60/- p.m. An additional allowance of Rs. 50/- p.m. has been proposed for this officer. Sir,

RATION CENSUS.

I have the honour to state that the census taken by the A.R.P. staff has been verified by the Rationing Staff selecting 100 houses at random in the Devaraja Mohalla of Mysore City and that it was found that there were several errors. The population of the Mohalla is 24,070 as per the A.R.P. figures, against 21,145 arrived at in the year 1941.

A.R.P. Census	...	...	1339 per 100 houses
Rationing	...	...	1079 do
Difference	...	...	260

Even allowing an increase of 5 percent per annum, the percentage of difference works out to 16 and if ration cards are to be issued on this basis there would obviously be a large wastage of controlled foodstuffs. It is therefore essential to take a proper and correct census and now that the Rationing Census Order has been passed, I request that sanction of Government may kindly be obtained to the taking of the rationing census in this City immediately and to post an Officer for the purpose. I would also suggest that if possible, Mr. Nagappa who was associated with the last census may be posted for this purpose. The Census Officer may be given in the first instance one clerk on Rs.50 and one typist. As far as possible the census will be got done making use of the A.R.P. and other non-official agency and detailed proposals regarding the same and the expenditure to be incurred on that account will be sent up as soon as the Officer is posted.

Dear Mr. Narayana Rao,

Your confidential D.O. letter No.SD.234 dated the 9th October 1943. Mr. Nagappa is now employed on Economic Survey work which has been sanctioned till the end of December 1943. Government are very particular that the work should be definitely finished before the 31st December. Mr. Nagappa was due to retire about the middle of September and his service has been extended for the period of the Economic Survey work, at the end of which he will be granted, as a special case, six months' leave preparatory to retirement. His employment for two months as Ration Census Officer in Mysore City will necessarily interfere with his Census work which, I expect, will be put off by the same period that the Census takes him, namely two months. I shall be glad to spare Mr. Nagappa for work as Ration Census Officer if the Government can extend his term as Economic Survey Officer by another two months.

Dear Mr.Narayana Rao,

Further to my letter (camp) Mysore, dated the 10th October 1943, I write to inform you that I consulted Mr. S.Nagappa. He feels that the Economic Survey work, on which he is already engaged, will be considerably retarded if he is put on the new work that you propose and that it is not desirable that the Economic Survey work should be postponed beyond December 1943. I agree with him. He also feels that the continuous strain of Census work since January 1940, has been affecting his health and that this new work in Mysore, away from home, will affect his health even more. I suggest, therefore, that Mr.T. Shamanna, now Assistant Secretary to Government, who was an Assistant in the Census Department, may be employed as Ration Census Officer, Mysore. I am sure, he will do justice to the new appointment.

My dear Mr. Narayana Rao,

Received a letter from Mr. Venkatasiva Reddy 20/x

The Dewan had a discussion with me and the Deputy Commissioner regarding the arrangements for the introduction of Rationing in Mysore City and directed that I should send Mr. Venkatasiva Reddy forthwith to Bangalore, so that orders may be obtained in consultation with you immediately on all the points on which immediate orders of Government are necessary and regarding which references have been made. I am therefore sending Mr. Venkatasiva Reddy to you along with a statement showing the several points on which orders have been solicited.

Mr. Venkatasiva Reddy has also been asked, in consultation with you, to place orders for the necessary quanti ty of the Ration Cards, forms, registers, scales, weights and measures and furniture required for the several depots. I therefore request you to kindly give necessary facilities to Mr. Reddy who has been directed to attend to these items at once and return to Mysore as quick as he he could, after obtaining orders of Government on all the points referred t above.

It was also suggested to-day that if Mr. Nagappa could not be posted for Census work, Mr. Venkatasiva Reddy may be appointed as the Chief Ration Census Officer and that the services of Mr. H. C. In connection with the arrangements for the introduction of Rationing in Mysore City, the President, City Municipal Council, Mysore suggests that if Mr.S.Nagappa B.A., Assistant to the Census Superintendent cannot be posted for Ration Census work in the City as previously proposed, Mr.Venkatasiva Reddy, the Assistant Rationing Officer may be appointed as the Chief Ration Census Officer and that Mr.H.C.Jambukeswariah, Revenue Officer of the Mysore City Municipality might be placed at his disposal to work as Census Officer.
